

ISPM 15 Compressed Wood Pallet

Scenix pallet supplies high quality ISPM 15 compressed wood pallet. We are professional manufacturer for innovative presswood pallets and compressed wood pallet machines in Qingdao, China. Customer satisfaction is our biggest goal.

Product Introduction

Reliable good quality and very good credit standing are our principles, which will help us at a top-ranking position. Adhering to your tenet of "quality 1st, purchaser supreme" for 2019 High quality China Easy Operation Compressed Wood Pallet Machine / Wood Block Making Machine, Sincerely sit up for serving you in the in close proximity to long term. You will be sincerely welcome to go to our corporation to talk business face to face with each other and create long-term co-operation with us! 2019 High quality China Wood Pallet Feet Hot Pressing Machine, Wood Sawdust Block Making Machine, The design, processing, purchasing, inspection, storage, assembling process are all in scientific and effective documentary process , increasing usage level and reliability of our brand deeply, which makes us become superior supplier of the four major product categories shell castings domestically and obtained the customer's trust well.

ISPM 15 Compressed Wood Pallet

Introduction of ISPM 15 Compressed Wood Pallet

Pallet is the horizontal platform device for the loading, stacking, and transporting of goods and products as unit loads. The presswood pallet is a new type of eco-friendly pallet that uses high-quality wood chips, wood shavings and other plant fibers as raw material, compression molding after drying, glue mixing, under high temperature and high pressure. It is that the longitudinal and horizontal balance of the board, nine feet can meet the four-way distribution by the fork, and presswood pallet is ideal for logistics transport.

Specification of ISPM 15 Compressed Wood Pallet

PRODUCT PARAMETERS	
Material:	high quality wood fiber
Synthetic resin:	high strength environmentally adhesive
Load:	dynamic load 2000kg / static load 5000kg
Fork hole height:	90mm
Manufacturing:	molded in one solid piece from dried wood fibers
Into the fork:	4 way entry/2 way entry
Specifications:	1100x1100mm / 1200x800mm / 1200x1000mm/1050x1050mm(4 way)
	1140x980mm / 1300x1000mm(2 way)
Fumigation certificate:	no fumigation, can be exported directly

Product Application

Dynamic load capacity: over 2 Tons

Static load capacity: over 5 Tons

Moisture content: $\leq 8\%$

Used for the storage, packing and transportation of goods in many industries, such as paper making, building material, chemical industry, electronics industry, hardware, food, pharmaceutical industry. Lower price and lower weight than traditional wooden pallet

Details Of ISPM 15 Compressed Wood Pallet

- 1 No nails, stable size, can better protect the transported goods, avoid scratching the outer packaging of the goods;
- 2 Strength is greater than traditional wooden pallets, stable quality, solid and durable;
- 3 With perfect plate frame and tapered foot shape, stacking transportation can make full use of the site and space;
- 4 There are four working surfaces, which is convenient for the operation of the mechanical forklift in multiple directions;
- 5 Light weight, easy to use, reduce labor intensity of workers;
- 6 It has the advantages of waterproof, insect-proof, white ant-proof and not easy to burn. It can be exported directly without quarantine and meets environmental protection requirements.

Delivery and Shipping Service of ISPM 15 Compressed Wood Pallet

Shipping methods:

Faq

1. Space-saving.

The same size of ISPM 15 Compressed Wood Pallet is nestable. And, they can be easily separated from a stack with a fork lift truck. Nesting pallets reduces storage space by up to 66% than conventional wooden pallets.

2. Lighter weight.

Presswood pallet is 60% lighter than a conventional wooden pallet.

3. Excellent design.

Round edges design of presswood pallet is suitable for cargo safety, and perfect reinforcing rib to enhance loading ability. Accurate size with one-time pressed, no bending.

4. Safe.

ISPM 15 Compressed Wood Pallet is a one-piece design. There are no nails or staples to reduce product and package damage. And eliminating burrs help reduce employee and customer injuries.

5. Environmentally friendly.

Presswood pallets are a resource-friendly, wood-based recycling product, made from recycled waste wood from saw-mills and industry.

6. Ready for export.

Presswood pallets are acceptable for export all over the world. The high temperature and pressure manufacturing process makes the pallets free fumigation and burns out all insect and larval infestations.

7. Quality assurance.

Low 6-8% moisture content of ISPM 15 Compressed Wood Pallet reduces the risk of product damage. And resin bonded construction provides high water resistance.

8. Recyclable and renewable.

Old pallets which are no longer usable can be shredded and re-glued to make new presswood pallet.

Company

Qingdao Senyu Environmental Protection Technology Co., Ltd. is situated in the beautiful city of Qingdao, China, specialized in the R&D, sales and manufacturing of compressed wood pallet, ISPM 15 Compressed Wood Pallet and presswood pallet machine. Through years of strenuous effort, Scenix has started to play an important role in this market with an annual output of 5800,000pcs. Since its very beginning, the company has been committing itself to the belief "focus on reducing costs, creating value for customers".

Thanks to its competitive prices, quality products and post sale services, the company wins a lion's share of the industrial market with its reach into many fields of chemical, auto-parts, printing, food and the like. Most of our customers are repeat order reputable customers from Middle East, Asia, Europe, United States and other foreign countries.

Now we owns 3 branch companies, from the collection of raw materials to the manufacturing of the customized mold, from R&D team to marketing & trading team(Qingdao Yuking New materials). Scenix has the ability to control all the production process of the industry chain. Qingdao Scenix is stepping up its effort to build up itself into an international brand.
